STIPULATION AND ORDER ON DAMAGES

The principal issue in this case, which was tried to the Court on Monday, April 24, 2006, is whether IDRT is entitled to compensation for "Phase II" of the contract over and above interim invoices paid by Wal-Mart.

The parties hereby stipulate and agree, subject to the approval of the Court, that several smaller amounts, advance payments, credits, and adjustments owed by one or the other party are summed and netted out to result in a credit of \$28,292.01 owed by IDRT to Wal-Mart.

This amount shall be set off against any amount found owing by Wal-Mart to IDRT, or if none, this amount shall be awarded to Wal-Mart on its counterclaim.
